

Property Owner Craig and Tiki Hall revised March 14, 2009

By Caving or Hiking on this property you have agreed to abide by this agreement whether signed or not.

All cavers must sanitize all gear, all clothing, and all gear containers. Must be sanitized in accordance with white nose bat sanitizing procedures. Gear may be sanitized by bringing them to 160 degrees Fahrenheit (this is the temperature put out by a hot water heater set at normal setting).

I agree that I enter the property at my own risk. I agree to assume all responsibility for any damages resulting from entering and agree to hold Craig and Tiki Hall harmless from any damages from the use of the property. I agree not to sue or request damages for anything that happens to me above or below ground on Craig and Tiki Hall's property. I agree I am responsible for all my actions and results of my actions on this property.

I agree to leave if asked by any owner to leave. I agree to respect all neighbors and not trespass on any neighbors property which I do not have permission to be on or under.

I agree to abide with all regulation of the landowner. I agree to wear blaze orange during hunting season when on surface of property.

I agree that if I am surveying a cave under this property that I will make the maps and survey public domain and freely available and provide land owner with said survey.

Cave diggers are required to notify owner before digging of location of dig and get permission to dig in that location.
